

Brick Details

£200 will secure you a commercial brick slip, £100 for a group or school and £50 will secure you a personalised individual supporter brick slip. The brick slip will be engraved with the name and message of your choice and create your own dedication to Biblins Youth Campsite. It will remain a permanent fixture mounted on buildings around the site.

Example Bricks

Commercial Brick Slip - £200

Individual supporter Brick Slip - £50, or £100 for a group or school

Guarantee

We guarantee our supporters and commercial sponsors that the funds received from every single brick slip purchase, less the brick cost, will go directly in to the development of Biblins Youth Campsite and contribute towards site infrastructure development.

Disclaimer

All bricks remain the sole property of Biblins Youth Campsite. We reserve the right to appraise all lettering and to refuse any application with no obligation to cite a reason. The management committee has complete control over the location of brick slips. The management committee accept no liability for any wear to bricks by natural causes. The bricks purchased and displayed may be different to those illustrated below.

Biblins Youth Campsite

Buy a Brick Campaign

Woodcraft Folk
Education for Social Change

**YOUTH IS
NOT WASTED
ON THE YOUNG**

Background

Woodcraft Folk took over the management of the Biblins Youth Campsite in 2018, the site previously being run by the Forestry Commission since the 1960s.

During the 2018 season over 5,000 children and young people stayed on the site, having opportunities to engage with nature, work together and develop their confidence. At Woodcraft Folk, we would like to see future generations of children enjoy the site.

Woodcraft Folk have already invested in excess of £20,000 in site improvements, such as Camp Koodoo (a semi-permanent basecamp for 40 people), solar lighting in all toilet blocks and training volunteers to support groups staying on site.

Future infrastructure developments on site

The volunteer Management Committee are seeking financial support to further develop the site infrastructure:

- Installing more renewable energy
- Increasing washing up facilities
- Building more accessible indoor accommodation

The funds raised through the 'buy a brick' campaign will support the costs of materials, architect and planning fees. This will enable the Management Committee to approach other funding bodies for the costs of any new build project.

Your Details

Please fill in your details using **BLOCK CAPITALS**
